Dear Jeanne;

I would like to personally congratulate you and your team for earning a second place Merit Award in Associated Builders and Contractors' 2005 National Excellence in Construction competition. Your submission of Legacy Harley-Davidson in the Pre-Engineered Building - \$2-10 million category has left a lasting impression and is greatly appreciated by all of us here at ABC National.

We take pride in displaying the work of our Excellence in Construction winners at our annual convention and hope to see you and your team there to receive your award. Please read the enclosures detailing the events and fax the appropriate information to ABC National at 703-812-8235 in order to ensure a successful convention for everyone.

Once again, congratulations for receiving this high honor. I look forward to presenting your well-deserved Merit Award at the convention in March.

Sincerely,

M. Kirk Pickerel
