AKRA Builders, Inc.
P.O. Box 1225
Effingham, IL 62401

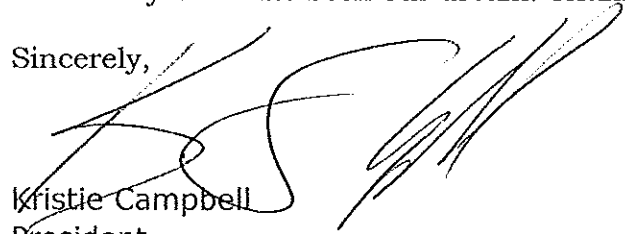

Dear Chad,

The building rocks – it's excellent! I have tons of customers who love this building!

It has been great working with AKRA Builders on our building project. You guys handled all of the construction details so that Niall and I could focus on starting up our restaurant. If there was a problem, you handled it or pointed us in the right direction. AKRA made the construction process a lot less stressful.

The Firefly Grill has been our dream. Thanks for helping us to make it a reality.

Sincerely,

Kristie Campbell

President
